The screenshot shows the CopyTrans Manager application window. The interface includes a menu bar (Main, Settings, Information), a toolbar with icons for update, copy, paste, and search, and a search field. The main area is divided into several panes: Categories (Music), Genres (All - 10 genres), Artists (Cypress Hill), and Albums (Black Sunday). A central table displays a list of tracks with columns for Title, Artist, Album, Rating, Year, Time, Play count, Date last played, and Track number. The bottom status bar shows disk space information for the iPod.
