About This Content

NOTE: This version is the Trainz A New Era route. The updated TRS19 version is included in the full version of TRS19.

An idyllic, single-track branch line in Wetterau- and Main-Kinzig-Kreis - and best of all it's free!
Die Niddertalbahn, eine idylische, eingleisige Nebenbahn im Wetterau- und Main-Kinzig-Kreis

The 30km track from Bad Vilbel to Stockheim was originally built by Pängel_Anton and was upgraded to current standards in track design.
Finally a new German community was created for Trainz-Multiplayer where you get all news and information.

Once purchased (for free) this route will then be added to your account for you to download in-game next time you start TRS19 (or click File > Download Purchased items to refresh your listing if required).
